FRICTION MATERIAL AND FILM-  
FORMING METHOD THEREFOR

**SUPPLEMENTAL RESPONSE**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Referring to the Response filed December 9, 2009, Applicants have submitted a verified English translation of the Japanese priority application (2003-120461) corresponding to the present U.S. application. The CERTIFICATE attached to the translation refers to this priority application as well as another application (2003-017866). To clarify the record, Applicants note that the previously submitted translation of the Japanese priority application is only for the 2003-120461 application. A substitute, executed CERTIFICATE page to reflect this is enclosed.

Respectfully submitted,

Masahiro GOTO et al.
